About Frances Pordes:

Frances traveled through more than 30 countries around the world on a shoestring budget. Share her adventurous, exciting and sometimes dangerous experiences.

According to Frances, the best way to travel is to take half of what you already packed for your trip, twice the money - and three essential items. Items that take up no space, weigh nothing, and cost even less. These three items are always at your fingertips and accessible at a moment's notice.

Find out what they are and more when you travel with Frances. Through her crazy adventures and misadventures, you will experience that when you are fun and fearless the world is your playground.
